PLAINTIFFS' AMENDED CERTIFICATE OF SERVICE

This is filed to amend the certificate of service on *Plaintiffs Joseph*Friedheim, Iasmin Friedheim, and JF Solutions LTD. Responses to Höeber Media,

LLC's Third Set of Request for Admissions ("Admissions").

Plaintiffs served their Admissions (attached hereto as Exhibit A) on March 11, 2021. Service was effected by depositing the Admissions in a dropbox folder set up by counsel for Höeber Media, LLC ("Hoeber").

The certificate of service on the Admissions originally listed the method of service as email. That statement was incorrect. In a previous transfer of production, the parties established use of a Dropbox used to transfer documents. The response to the requested admissions was provided to opposing counsel to that same Dropbox. The certificate of service was left unchanged in error, making this Amended Certificate of Service necessary.

Respectfully submitted,
